

**WYNDHAM CLARK (-9)**

---

**\Q. Well, Wyndham, talk about today. How would you describe your performance today, because I think all you guys battled hard out there?**

**WYNDHAM CLARK:** Yeah, I knew after kind of the first hole I didn't feel comfortable with my swing, so you're going to have that for four days, so I felt like I battled pretty well for how I felt off the tee and with my iron game. I had a really good stretch there for about six, seven holes where I didn't really get everything out of it, I missed some short putts, but yeah, definitely some good momentum for tomorrow.

**Q. Talk about tomorrow, because I think the conditions will be pretty much the same as they were today?**

**WYNDHAM CLARK:** Well, it's just nice it's not blowing 30 to 40. What's good about this is it kind of eliminates someone coming from 2 or 3 under -- I mean, they could still shoot 8, 9 under, so if you keep it in front of you and make some putts, there's going to be a lot of guys I think bunched up on the leaderboard tomorrow.
