

**ROUND 1 INTERVIEW**  
**October 28, 2021**

**DANNY LEE (-4)**

---

**DANNY LEE:** And 4 under out there with this tough wind condition out there, it was a good score. I'm really happy where I'm at. I haven't putted well in a while. I worked really hard on my putting last month and I think it's starting to show some good signs.

**Q. Since you've been working on your putting, how did you find putting out there with the wind? Difficult?**

**DANNY LEE:** It was. You have to try to read the wind. We look at the break and you've got to add the wind and the distance control is tougher, but I guess it's tough for everybody. I was just hitting it very well on the front nine, so I was able to hit it very close and I didn't have to do too much of that, which helped me a lot today.

**Q. I think it was a rib injury that hurt you back in the summertime?**

**DANNY LEE:** Yeah. I just pulled out at the John Deere Classic this year, I just couldn't play anymore. I finally took an x-ray with a doctor and he saw a fracture on my last right rib, so I guess I had that for a while, I just didn't know about it. I had to take a couple months off and I'm injury-free now.

**Q. You're 100 percent now?**

**DANNY LEE:** Yes.
