

ROUND 1 INTERVIEW
October 28, 2021

CHAD RAMEY (-6)

Q. How did you survive this round today and the conditions?

CHAD RAMEY: I mean, it was a really well-played round kind of all around on my part. It was a grind out there. I think the wind might have been blowing a little harder this morning, but it was still going really hard this afternoon. I was just doing the best I could do to keep the ball in position.

Q. What did you feel like you did particularly well to help you shoot 6 under today?

CHAD RAMEY: I mean, I didn't hit the ball great, but I kept the ball in position very well, and then I made a couple of par putts that kind of kept the momentum going.

Q. Do you feel like you're starting -- you're getting through this fall season getting comfortable playing out on the PGA TOUR, playing some new stops?

CHAD RAMEY: Yeah, I feel pretty comfortable. There's 25 to 50 other guys that I played with that are out here every week. I feel pretty comfortable. It's just new courses really. You know, the golf's the same, it's just I kind of have to play a little more just to learn the new courses.

Q. Does it help having like, as you said, kind of friends and guys that you came up through the Korn Ferry Tour with playing here?

CHAD RAMEY: One hundred percent. Just seeing friendly faces, that always helps. Everybody can play at both levels, just got to get the ball in the hole.
