

**DANNY LEE ( -14)**

---

**Q. Tee shots cost you on 13 and 14, but overall an excellent round of golf. You've got to be pretty pleased, aren't you?**

**DANNY LEE:** Yeah. It was a good -- another good round today. I started off very smoothly and it was really nothing, a lot going on except, like you said, 13 and 14. Those have always been one of the tougher holes out here on this course. I think I played very, very well overall.

**Q. I know you're coming back from injury and trying to keep things going, but you're in contention to win again and you know what it takes to win on the PGA TOUR. What do you think it will take tomorrow?**

**DANNY LEE:** I don't know. Only thing I know is just got to keep my head down and stay out of my way and just do what I've been doing last three days.

**Q. How does it feel to be playing good golf again?**

**DANNY LEE:** It feels great. I haven't had this kind of round or this kind of week in a while. It's good to be back in contention and feel a little bit of nerves and seeing the crowds and getting to mix with the crowds, hitting a lot of good golf shots, making a lot of birdies out there. It's been a lot of fun.

**Q. Can you expound on that?**

**DANNY LEE:** I mean, I don't know what to say really. Everything went very smoothly today. There's no really big mis-hits other than 13 and 14 off the tee, but other than that, everything was really good. I hit a really, really good tee shot on No. 16. It's a nerve-wracking hole. Every time I go there, it's like that's a tough hole, but I made a good par there and a good birdie finish. I could have done a little better with the second shot on 18, but it's just golf, so I'll just go to the driving range and work on it a little bit, I guess.

**Q. Does maybe having a little lower expectations coming in with how little you kind of played recently, has that kind of maybe helped your mentality this week?**

**DANNY LEE:** No, I didn't have a low expectation. I worked my ass off last month. Getting on the plane all the way to over here, I was kind of expecting to do something great, and I need to. So I didn't come here just to play golf, I came over here to play some good, really good golf. I'm doing it right now, so it's good to see that happening right now. I just need one more day like this.

**Q. Do you like playing under pressure?**

**DANNY LEE:** I don't know. Yes and no. I was in this many times before and I've done some good stuff and I've also had some bad stuff, so I can't really tell you. I think I'll have the game for it, I'm ready. I want to just have a great day tomorrow.

**Q. You said you worked on your putting particularly during that break the other day. What specifically did you work on in your putting?**

**DANNY LEE:** Speed control. I've always been obsessed with starting it online and that wasn't the problem for me. Me and my friends were talking about it and I found the right putting tool that can really improve my putting and it did. We'll see how that goes tomorrow under the pressure.
