Butterfield Bermuda Championship Launches 2025 Volunteer Program with Continued Support from BF&M and Argus

Southampton, Bermuda — [July 14, 2025] — The Butterfield Bermuda Championship is proud to announce the launch of its 2025 Volunteer Program, presented by longtime partners **BF&M** and **Argus**. As the tournament prepares to return to **Port Royal Golf Course** this November, community members are once again invited to play a key role in the PGA TOUR event by joining the tournament's dynamic volunteer team.

Each year, more than 600 volunteers help bring the Butterfield Bermuda Championship to life — supporting roles in operations, hospitality, scoring, transportation, and more. Their collective effort not only ensures the smooth running of the tournament but also reflects the warmth, pride, and hospitality for which Bermuda is known.

“We are thrilled to open registration for the 2025 Volunteer Program,” said **Danielle Carrera, Tournament Director**. “Our volunteers are the heart of this event — their energy, commitment, and community spirit elevate the experience for players, fans, and guests alike. With the generous support of BF&M and Argus, we look forward to welcoming returning and first-time volunteers to this year's team.”

BF&M and Argus return as presenting sponsors of the Volunteer Program, reaffirming their longstanding commitment to community wellness and engagement through sport.

“This year's Butterfield Bermuda Championship is especially meaningful as BF&M and Argus come together to sponsor the Volunteer Programme as one team. For the past five years, we've seen how the dedication of Bermuda's volunteers transforms this event into something truly special. Your warmth, energy, and community spirit are what make the Championship such a memorable experience for everyone involved. Thank you for all that you do.” Abigail Clifford, Group President & CEO, BF&M and Argus

Volunteer registration is now open at www.butterfieldbdachampionship.com/volunteer. All volunteers will receive official tournament apparel, meals during their shifts, a weeklong pass to the championship, and access to special volunteer appreciation events.

The 2025 Butterfield Bermuda Championship will be held **November 10-16**, welcoming top PGA TOUR players to Bermuda's iconic Port Royal Golf Course. As one of the island's most significant international sporting events, the championship brings global attention, economic impact, and charitable support to the local community.
