

ROUND 2 QUICK QUOTES
October 23, 2026

CHANDLER BLANCHET (-13)

Q. Chandler, nice job again today, followed up a 62 yesterday with another solid round, a 67. If we can get some comments.

CHANDLER BLANCHET: Yeah, thank you. Solid day today. It was a grind out there, it was a little windier. Found myself in a few interesting positions off the tee especially on the last few holes, but yeah, ground out a solid day today.

Q. Yeah, especially 18, take us through that one.

CHANDLER BLANCHET: Yeah. I pulled it a little left, I was trying to hit kind of a hold cut and was hoping it was in the bunker for a flat lie, but covered the bunker and had a pretty uphill, above-the-feet lie and completely blind shot. It was kind of a fun creative one, which I think you've got to be pretty solid at this week with the wind, can't just take your stock shots, so it was a good way to end it.

Q. And then back-to-back birdies on 5 and 6, take us through those two holes.

CHANDLER BLANCHET: Yeah, pretty -- kind of got like the first few holes, there's some tough -- especially 4's a pretty tough hole, and then like 5 and 6, it's like pretty friendly. Wedge downwind, so glad I took advantage of those.

Q. Compare yesterday's afternoon conditions to this morning.

CHANDLER BLANCHET: Yeah, definitely a little windier today. It wasn't crazy, but when you get near the water there's definitely a little more wind up there.

Q. You're one step closer now, you have 36 holes left. How excited are you for the weekend?

CHANDLER BLANCHET: Yeah, it's going to be a great weekend. I know they're supposed to be more wind so it should keep it interesting. Yeah, it's going to be a fun weekend.

Q. You mentioned you made your debut here in 2022. Talk a little bit about what it's like playing out of the country and how much do you enjoy that.

CHANDLER BLANCHET: Yeah, I love playing out of the country. I played two seasons on the Latin American Tour in 2019 and 2023 and we always start the Korn Ferry Tour season out in like seems like South America for six events. I've always played really well down there, I won three times on Latin and feel like, I don't know, I just enjoy the different culture.

This is maybe not as many Latin America, but great good, great people, really good community here.

Q. What's on the agenda this afternoon for you?

CHANDLER BLANCHET: Probably get some rest, get out of the wind and just relax.
